- The requested number of extreme values exceeds the number of data points. A smaller number of extremes is displayed.
- Only a partial list of cases with the value 11 are shown in the table of upper extremes.
- Only a partial list of cases with the value 11 are shown in the table of lower extremes.
- Only a partial list of cases with the value 1 are shown in the table of lower extremes.

e. Only a partial list of cases with the value 4 are shown in the table of upper extremes.
